Notice is hereby given for two successive weeks by publication in The Elba Clipper, a newspaper published in Coffee County, Alabama, where the Town of Kinston, Alabama, is situated, that FIVE THOUSAND (\$5,000.00) DOLLARS of bonds of said municipality, bearing interest at the rate of six per cent per annum, and maturing in five years, having been authorized by an election duly held in said Town of Kinston, Alabama, for the purpose of erecting a public school building in said Town, will be sold at private sale, and all persons interested may govern themselves accordingly.

Done, this 6th day of April, 1925.

J. F. BRUNSON, Mayor.

MEMORIAL.

The death angel visited the home of Mr. and Mrs. Curtis Chapman and claimed their dear one, which was born and died March 27, 1925, and was laid to rest at Chestnut Grove March 28, 1925. It was his dear little grandmother Helma who preceded it to the grave several years before. The services were held at the cemetery at about eleven o'clock Saturday morning.

Weep not, dear parents, for God called and He knows best, and some sweet day we'll enter the pearly gates where we'll meet our darling baby. A Cousin.

County Agent Gives More Instructions On Cotton Planting; Nearly All Fertilizer Has Been Delivered; More Notes on Hairy Vetch

Last week we advised the boys to hold up a few days on planting their cotton. Due to the continued cold weather we were having. Easter is over now and the prospects are for warmer weather so we would urge all members to plant their cotton immediately if the land is well prepared. The seed do not want to be planted on a fresh bed. A firm seed bed of one inch has been allowed to settle for ten days or more is better for planting and getting a quick stand. Remember if your land has been bedded for several weeks and a fine coat of grass has come up it would be well to run a harrow over these beds to do away with both grass and clods. Be sure to plant enough seed per acre, not less than one bushel should be planted on any acre and we recommend 400 pounds acid phosphate mixed with 100 pounds muriate of potash and 50 pounds nitrate of soda to be applied before planting to be followed with 150 pounds nitrate of soda immediately after the cotton is chopped.

To the new pig club members this year we will say that it will be around the first of May before our pigs will be ready to put out with the members. In the meantime every member should be preparing a place for his pig since we do not want these pigs kept up in a pen. The better care and treatment the boys give their pigs the better will be the results figured from a cash standpoint.

Fertilizer Notes. All the farmers buying their fertilizer cooperatively have received their entire tonnage amounting to around 3,000 tons of acid phosphate, muriate of potash and nitrate of soda. Some of the farmers have been delayed just a little in getting their muriate of potash, however, 95 per cent of our total tonnage bought was delivered by the latter part of March. A number of the farmers placed their order with the Farm Bureau as late as the 10th of March and consequently it was impossible to get their goods delivered as early as we would have liked. We shall have to insist on all cooperative orders being placed early next season. Then the fertilizer can be shipped out and we would have it ready when wanted.

We trust that every farmer buying his fertilizer cooperatively this year will plant part of his acres according to the formula above recommended for our club boys. In 1923 this 700 pounds per acre plan was tried in Alabama where it was tried. That same year it took an average of from 15 to 20 acres of Coffee County cotton land to produce a bale of cotton. We must raise the average yield of cotton per acre if we hope to be independent farmers.

Rolling Cotton Seed in Nitrate of Soda. It is a common practice among the best farmers of the Mississippi delta to roll their seed before planting in finely pulverized nitrate of soda. This enables the seed to germinate quicker and to grow off faster especially if planted in a dry time and under cool, unfavorable weather conditions. We would especially recommend this for the club boys.

Hairy Vetch Notes. The hairy vetch fields of Coffee County have produced more growth in the past two weeks than they had produced

from the time it was planted until two weeks ago. Inasmuch as the seed were planted late and the seasons have been most unfavorable for its best development, we would suggest that all vetch fields be allowed to remain for some time yet. We will keep a close watch on them and notify you as to the best time for turning under this vetch.

METHODIST W. M. S.—Both Circles met at the church with good attendance. The main topic for discussion was some means by which we could increase the treasury during the summer months. Circle No. 1 will meet next Monday at 9:30 at the home of Mrs. Kersh. Mrs. Marley leads the Bible lesson, Leviticus and Numbers, and Mrs. Johnson will lead the lesson in Task Ahead—Chapters IV and V. Circle No. 2 will meet with Mrs. Lowrey at 4:00 o'clock. Mrs. Prescott leads the Bible lesson, and Mrs. Bryant the lesson in Task Ahead, which is Chapters VI, VII and VIII.

CARD OF THANKS. We take this method of extending our sincere and heartfelt thanks to our many friends who were so kind and good to us during the recent illness and death of our beloved mother, Mrs. L. H. Morris. We especially want to thank Dr. Bravett for his untiring attention to her during her illness. He was always so kind and good to her and faithful to the last. We also want to thank Dr. Bravett who did all he could to save her. We extend our thanks to Miss Mae Harper, our nurse, for her devoted attention to her beloved mother. We thank each and every one for the many beautiful floral offerings. The many deeds of kindness shown her and us will ever be remembered by us. May God's richest blessings rest with each and every one is our prayer. Hot Children.

MARRIAGE OF MR. YOUNG AND MISS BRYAN.

A marriage which will be of cordial interest to their many friends was solemnized on last Sunday morning at the home of Mr. and Mrs. J. O. English, when Miss Beulah Bryan became the bride of Mr. Sam B. Young. The groom's pastor, Rev. W. T. Grider performed the sacred marriage ceremony in a very impressive manner. Only members of the English family witnessed the wedding. Mrs. Young is the daughter of the late M. Bethel Bryan, and is one of the county's popular teachers. She possesses a nature of sweet womanly dignity, and her friendliness of manner has always made her a favorite with her friends. Mr. Young is a son of Mr. and Mrs. C. C. Young, and is one of Elba's most popular young business men. He holds a responsible position with Smith Brothers. Immediately after the ceremony Mr. and Mrs. Young left for a short trip to points in Florida, after which they will be home to their friends in Elba. Friends extend congratulations and best wishes to the young couple.

Y. W. A. MET AT CHURCH.

The Y. W. A. met at the church Tuesday afternoon. A lesson in Bible questions was led by Miss Carrie Vaughn. After the lesson Rev. S. A. Taylor made a splendid talk. There were seventeen present. After the meeting the girls went to the home of Miss Lillie McVinty, where they enjoyed a delicious picnic lunch. Thirteen took the examination.

BIRTHDAY PARTY FOR VERDIS COOK.

Last Monday afternoon, April 13th, Verdis Cook entertained a number of his little friends at his home in New Brockton, celebrating his 7th birthday. They met at 4:00 o'clock and interesting games were played until 5:30, when Mrs. Cook served lemonade and cake. Then they enjoyed a candy egg drawing. All departed with much cheer and good wishes.

MR. JEP MATTHEWS CELEBRATES 70TH BIRTHDAY.

On last Sunday a large crowd of relatives and friends met at the home of Mr. Jep Matthews to celebrate his 70th birthday. The day was spent singing in the Sacred Harp. At the noon hour a delicious dinner was spread. Every body ate plenty and there was enough left to feed the crowd again. About 70 people were present. After the hunt and the little folks enjoyed an egg hunt.

JULIAN WYROSICK CELEBRATES BIRTHDAY.

A lovely party was given for the little folks Tuesday afternoon at the home of Julian Wyrosick, the occasion being the little host's sixth birthday. A number of children's games were supervised by Miss Christine Tucker. Delicious ice cream and cake were served by Mrs. Wyrosick and Miss Tucker. Twenty-four little boys and girls enjoyed this delightful affair.

MISCELLANEOUS SHOWER FOR MISS HEATH.

Miss Mary Lou Heath was the honoree at a miscellaneous shower given by Misses Elma Talbot and Flossie McIntyre Tuesday afternoon at the home of Mrs. Jim Whitman. This attractive new home was beautifully decorated with a profusion of flowers. As the guests called they were greeted by Mrs. H. C. Johnson and shown to the receiving line which was composed of Mrs. Jim Whitman, Misses Elma Talbot, Flossie McIntyre, Mary Lou Heath, Mrs. Will Owen, Mrs. Dana Perdue, Mrs. W. R. Crook and Mrs. Joe Vann. Leaving the living room the guests were shown to the dining room where Misses Sara Canley and Mrs. Sam Rowe served brick cream cake. Next they registered in the bride's book which was presided over by Miss Frances Mitchell. The many beautiful and useful gifts were on display in the guest room where Mesdames Arthur Boutwell and J. E. Hudson assisted in entertaining.

Misses Annie Laurie Bullard and Nan Marley played a number of selections on the piano. Mrs. Dana Perdue gave some reading and Mrs. S. A. Taylor sang, At Dawning, The False Prophet and The Hour That Gave Me You. The bride-to-be is a beautiful young lady of the blonde type and is one of Elba's most popular girls. On this occasion she wore a becoming dress of carmine silk crepe and a lavender picture hat.

LITTLE FOLKS ENJOY EASTER EGG HUNT.

Masters Durwood and Philip English and little Miss Nell English entertained a number of their friends at a Easter egg hunt Thursday afternoon. The children met at the home of Mrs. J. W. English and went to the grove back of the City school where the eggs were hidden. After the hunt and a number of games the guests were served ice cream.

MR. JEP MATTHEWS CELEBRATES 70TH BIRTHDAY.

On last Sunday a large crowd of relatives and friends met at the home of Mr. Jep Matthews to celebrate his 70th birthday. The day was spent singing in the Sacred Harp. At the noon hour a delicious dinner was spread. Every body ate plenty and there was enough left to feed the crowd again. About 70 people were present. After the hunt and the little folks enjoyed an egg hunt.

Everyone enjoyed the day. We all wish Mr. Jep many more happy birthdays.

BRINGS LARGE EGG.

Mr. J. L. Willis, well known citizen on route 5, left at The Clipper office Saturday the largest hen egg we have seen in some time. The egg measures 7 1/4 inches around the long way, and is very large in proportion. Mr. Willis says he has just common chickens but this is the best one that has yet been laid on his yard.

MRS. KENDRICK HOSTESS TO TEA CLUB.

Mrs. Terry Kendrick very delightfully entertained the Tea Club at her home Friday afternoon. Cut glass and wicker baskets of roses added much beauty to the living room. After a most pleasant afternoon spent sewing, a delicious ice course was served.

Mrs. M. A. Kirklin and two little daughters, of Samson, were guests of Mr. and Mrs. Edgar Carlisle Friday.

WHEN BETTER AUTOMOBILES ARE BUILT, BUICK WILL BUILD THEM

No. 1

Question: Why are more women driving Buicks than any other make of 6-cylinder car?

Answer: One reason is the striking appearance of this famous motor car. Then comes Buick dependability. A woman knows when she starts out with her Buick that she will get there and back. Other reasons are—the comfort in driving a Buick—the velvet clutch action, easy steering; then the power and quietness of Buick's Valve-in-Head engine and the safety of Buick mechanical four-wheel brakes.

PAGE 1—TWELVE SOUTHERN STATES.

This is a true Map of Dixie showing the twelve Southern States completely. It shows the Automobile roads, the best roads being indicated by a heavy red line, the second class roads by a lighter red line and the third class roads by a still lighter red line. You can easily see what a wonderful advantage this will be to you when taking a trip. In other ways the map is complete in every detail. It shows all the small towns—the railroads—the experiment stations and the agricultural colleges with a blue ring around each. It is handsomely printed in four colors and is just the map you should have hanging on your wall for ready reference.

PAGE 2—TOWNS, CITIES, OTHER INFORMATION.

This page gives a complete list of towns and cities with the population and the key so that you can easily locate any town you wish.

This page also contains an editorial, alphabetically arranged, telling about the work each experiment station shown on the map is doing to help you.

PAGE 3—BIG MAP OF U. S. AND ALASKA.

This big map shows the entire United States and Alaska. No home is complete without an up-to-date, reliable map of our country—and this is one that will fill the bill.

PAGE 4—MAP OF THE WORLD.

How often in the newspapers you read some article about a country or city in some far-off part of the world. With this big Map of the World on the wall you can instantly locate it, adding interest to the article. A good, up-to-date map of the world like this is highly educational. With the map are also 30 portraits of all the world's rulers, etc.

Call at this office and see the splendid Map and get further information, if desired.

with us as it is, although there is some sickness from colds.

We regret very much the illness of one of our little Sunday School girls, Jewell, the 12 year old daughter of Mrs. Mollie Test, who is very sick with pneumonia. We all desire her speedy recovery.

The death angel has been in our midst again and took the wife of Mr. Addison. Their friends join in extending the family sympathy over their sad loss.

Mrs. George Smith has answered that last call that we all are waiting so patiently to answer. Mrs. Smith has been living here for many years and was old and had been almost helpless for a long time. She leaves a lot of friends and a large family, who will miss her. But as this is the only way I know we will all have to pass on this way.

Now we want to turn to a brighter side of life and tell you of the arrival of a little girl to Mrs. Hattie Wesley of Bessemer, who is visiting her parents, Mr. and Mrs. T. M. Smith.

Sunday was such a beautiful day till any one could not help feeling good. And being Easter too, with all the beauties it brings to us, of course we all out here do not regret the day that the city people do, but it is a great day with us. I had the pleasure of visiting Mount Olive Sunday morning.

I thought I would get to hear a good sermon but the preacher failed to get there, so they had a song service. My mother and sister and every one just felt so good and looked so young, it just puts new life in one to have such opportunity.

Sunday School was fine; a large crowd present and a fine singing, and an egg hunt for the children. Now the children did so nice, I was really surprised. They were so quiet and sweet till one would have thought they had been thoroughly drilled for the occasion. There are many good things for us in this life—our pathway is strewn with flowers, if we will open our eyes to see them.

This is such a busy season—always something on the farm that needs doing. The planting season will soon be over. I think the larger part of the cotton crop has already been planted. A small acreage is coming up. A lot of it will not come up till it rains, so you see we will all be glad of a shower.

Mr. Tom Royster was called back to his old home Saturday at Shawmut, on account of the death of his little sister. We all regret his loss very much for he has made many friends here.

Mr. and Mrs. H. B. Morgan and family, of Opp, visited his father Sunday afternoon.

John Henry, Virgil Mae, Willie, Sherrell, Gailhol, W. D., Annie Irene and Feland Foley dined Sunday with their grand parents, Mr. and Mrs. H. I. Boland.

A few of the young people met at Mr. J. J. Kendrick's Sunday night and sang awhile.

Best wishes to all.

W. O. Mulkey, Special Judge, Says County Commissioners in Coffee Cannot Be Contested; Case Is Appealed to Supreme Court

A decision has been rendered by Hon. W. O. Mulkey, of Geneva, who was appointed as special judge to hear the contest of W. J. R. Ammons and J. H. Wooten against Joe J. Moore, which was filed in the Probate Court here, decreeing that there are no statutory grounds for a contest over the county commissioners office in this county.

It is understood that an appeal has been taken and the matter will go to the supreme court. This decision should be upheld over the contests over these offices which are now pending. It will be remembered that a contest was also filed against Mr. Moore in the Circuit Court in the Northeast District.

This however, has not yet been heard. Similar contests were also filed against Mace Kysar in the Northeast District.

In the Circuit Court, contest evidence has already been taken and it is understood that this case is now ready for submission to Judge Parks.

Below we give the decree of Mr. Mulkey in the case filed in Probate Court:

W. J. R. AMMONS AND J. H. WOOTEN, CONTESTANTS,
VS.
J. J. MOORE, CONTESTEE.

IN THE PROBATE COURT,
COFFEE COUNTY, ALABAMA.
MA. W. O. MULKEY, SPECIAL JUDGE.

Election filed this petition to contest the election of J. J. Moore, to the office of County Commissioner of Coffee County, declared elected at the general election, November 4th, 1924.

It appears from the statement of the contest that the candidates for commissioner interested in this cause, were voted for only by persons residing in a particular territory of Coffee County, and that the entire county. The court is referred to an Act of the Legislature of 1867, the effect of which is to divide Coffee County into four (4) commissioner districts, and which requires a commissioner from each district and to be voted for only by the electors of that particular district. Whether this local law is valid or whether it has been repealed by the adoption of subsequent Acts, is not material here, since it appears that in this particular case, election was held in accordance with its mandate.

It is insisted by the contest in view of this statute, that the probate court is without jurisdiction to hear and determine a contest of this nature. The court deems it unnecessary in the view here taken, to determine that question.

(1) Section 545 of the Code of 1923, is authority for contesting elections in this State. Without statutory authority, there can be no contest. This section does not include among those whose election may be contested any office which is filled by a vote of a subdivision of a county, except the office of Justice of Peace and Constable, expressly mentioned.

When the Legislature subdivided the County of Coffee with respect to commissioner districts and provided the election of each commissioner by a vote of that district, it had the effect of putting the office of commissioner of Coffee County outside statutory jurisdiction.

It is therefore, concluded that the probate court has no jurisdiction to hear and determine a contest of this nature.

(2) Section 559 of the Code of 1923, is authority for contesting elections in this State. Without statutory authority, there can be no contest. This section does not include among those whose election may be contested any office which is filled by a vote of a subdivision of a county, except the office of Justice of Peace and Constable, expressly mentioned.

EXCHANGEITES MET AT COSBY'S CAFE LAST THURSDAY.

The Exchange Club held its regular meeting on last Thursday night at Cosby's Cafe, where the members enjoyed a most delightful supper.

The attendance at this meeting was not as good as at the previous meeting, many of the members being out of town.

During the evening quite a number of Exchangeites talked on "street paving" and other needed improvements for the town. A very healthy sentiment prevails among Exchange Club members for paving, and many property owners expressed themselves as favoring the movement.

The Club as a whole expressed regrets at losing two of its members, Mr. K. K. Pulliam and Mr. J. W. Moore, both of whom are leaving for other places to live.

Mr. J. W. Moore, the new owner and manager of the Ice and Cold Storage Plant, was a guest of the Club at this meeting.

ICE AND COLD STORAGE PLANT SOLD TO MR. J. W. MOORE.

A deal was closed here last week whereby Mr. Leon K. Pulliam sold his Ice and Cold Storage Plant to Mr. J. W. Moore, of Newton. The consideration in the transaction was not made public.

Mr. Moore has already taken charge of the plant and with his family has moved to Elba. Mr. and Mrs. Pulliam have returned to their former home in Pensacola, but have not yet announced what their future plans are. During their stay at Elba they have made many warm friends who regret that they have moved away, but who wish for them continued success. Elba people are glad to have Mr. Moore and his family a long while and are cordial welcome.

While the Elba Ice and Cold Storage Plant has only been in operation for a few months, it has been successful in securing the support of Elba people, who want to see it grow and prosper. Mr. Moore has announced that it is his intention to conduct the business on the same high standards set by Mr. Pulliam. We trust that the venture will prove both pleasant and profitable for Mr. Moore, the new owner.
